Remarks

A Rare Longboat Key Bayfront Opportunity. Discover an exceptional opportunity to live behind the gates of the Longboat Key Club in the highly coveted Corey's Landing neighborhood — one of the island's premier bayfront addresses. Rarely available, this detached single-family home offers direct Sarasota Bay views, a private boat dock and lift, pool, three bedrooms plus a study, a loft, and three-and-a-half baths. Set within an intimate, established community of just 61 single-family homes and villas, this residence welcomes you through double doors into a showplace of light, style, and space. Soaring transom windows, walls of sliding glass, and rich wood floors enhance the open great-room design — an ideal setting for entertaining around the beautiful fireplace. The updated kitchen connects seamlessly to the dining and living areas, featuring sleek white cabinetry, a striking tile backsplash, solid-surface countertops, stainless steel appliances, and a generous breakfast bar perfect for casual gatherings. The first-floor master suite is a private retreat with walls of glass, a cozy sitting area, custom built-ins, dual closets, and a luxurious remodeled bath with dual vanities, a large walk-in shower, and separate water closet. Also on the main level are two private guest suites.
